Contents		
The work placement has to be completed in two module-relevant offices or companies, which fit the professional career the student is looking for or must be completed by field work for eight weeks outside of Europe. The work placement should comprise tasks that provides the trainee with a comprehensive and adequate insight into the vocational world.		
Intended learning outcomes		
Students will get first insights into the job opportunities of a geographer by doing a four week work placement with one employer. Thus, students will have the opportunity to establish contacts and to get in touch with different vocational practices.
